

Applicant Demographic Information

Last updated: 02/17/2019

One of RACC's goals is to cultivate diversity, equity, and inclusion in all of our programs and services. We collect demographic information about communities we serve in order to address gaps in our services. Please share with us how you identify. If you would like to answer more specifically, you may use the space provided to do so. Providing this information is optional.

If you have questions about this form, please contact RACC at 503-823-5111 or portalhelp@racc.org.
